Samuel Delay

111 Union St
Milford, NH, 03055
(603) 769-0590
samuel.delay@gmail.com

I am actively looking for a junior web development position. I am a creative problem solver, a purpose driven learner and a collaborator. I adjust quickly to new environments and approach challenges iteratively, with ease and excitement. I have always loved building things. After realizing how much I enjoy coding, I am committed to learning this new set of tools to enable me to help build awesome user-friendly applications.

SKILLS

Creative Problem Solving

Time Management

HTML5

CSS

JavaScript

EXPERIENCE

UNH, Portsmouth, NH — Full Stack Web Development Bootcamp

December 2019 - PRESENT

A six month intensive program teaching HTML5, CSS, JavaScript, jQuery, Node.js, MySQL, MongoDB and React.js.

Union Coffee Company, Milford, NH — Part Owner

July 2016 - PRESENT

I have had the opportunity to be part of this very successful coffee shop located in Milford, NH. We are focused on creating a welcoming space that stimulates creativity and a community centered mindset. We have been roasting our own coffee since 2018 and have since acquired a few amazing wholesale accounts including seven Whole Foods locations across New England.

Flight Coffee Company, Dover, NH — Director of Coffee

July 2015 - June 2016

I was given the opportunity to design and launch the Flight Coffee Co. cafe in Dover, NH. My responsibilities included:

- Cafe layout and interior design

- Organizing the build out schedule to ensure contractors accomplished tasks efficiently

- Hiring and training cafe staff

EDUCATION

Liberty University, Lynchburg, VA — Business Management

August 2012 - May 2013
